DESCRIPTION

We have a diverse offer of urban building plots, ready to build in Javea, La Cala urbanisation. All of the plots measure at least 1000 square metres or more, some are flat while others are sloped and have access to panoramic views. La Cala is a prestigious luxury urbanisation, with a modern infrastructure with all utilities underground, pavements, street lighting and piped gas. The popular Arenal beach is only a 10 minute drive away, while necessary amenities are all close by. If you are interested in purchasing a plot for building your dream ...
