

180,000 EUR

DESCRIPTION

A flat south facing plot for sale in the exclusive Las Laderas urbanisation of Javea, free of builder but including building license. This urbanisation has all installed amenities and high standard facilities, including wide streets with proper pavements, street lights, play and green areas, underground electric, telephone cabling and mains sewage. This is a fantastic opportunity to purchase one of the last available plots in this top class environment at a very reasonable price.
