## **DESCRIPTION**

This super stylish and eco-friendly (A Rating) villa is built in an enviable location in Moraira, just a 20-minute walk to the centre. This villa truly has the wow factor. As you enter the property, you are met by a stunning open plan living room that has views to the town of Moraira and the Mediterranean Sea. The wooden double-glazed doors, along with the dry-stone walls give a natural feeling in this modern home. The kitchen is made of top-quality materials, with its stylish clean line and views across the living room to the pool and further ... (enquire for further details)
