DESCRIPTION

El Rafalet residential area is a tranquil location, only a 10 minute drive from all three centres of Javea - the port, Arenal beach and the Old Town - and is an established urbanisation with good infrastructure put in place. We present you here with two adjacent building plots in this very urbanisation that can be bought separately or together. This one is plot 118, it measures 957m² and it has back and side green areas as well as some great views across the valley to the Montgó mountain. The adjacent 114 plot measures 1074m² and it ...
