## **DESCRIPTION**

Here we introduce you to a luxurious new build villa project, located on the hills just outside Benissa, with access to stunning sea views towards the Calpe rock. The villa will cover three levels which will be connected by lift as well as by stairs with an atrium to bring natural light to the lowest level. The ground level represents the main accommodation area and it consists of: a double bedroom with en-suite bathroom and dressing room, a guest toilet and a generous open plan space with a kitchen and dining area divided from the living ...
